

NMGHL Boundary

NMGHL by-law 2.2.1 a) indicates that all Teams/Leagues within a one hour 15 minute driving distance from Yonge and 401 are automatically part of our league and are eligible to play within our system if they so desire. The following is a list of some communities and their distance from the center point.

Teams below the line must apply on an annual basis for possible inclusion in NMGHL.
